

Dear Scholarship Donor,

Ever since I was a small child, I have dreamed of completing high school and continuing on to a college that would give me so many opportunities while also helping me financially. Since being recently named a recipient of the HFCC Community High schools Scholarship, my dream is finally becoming a reality. With your help, I plan to complete community college and eventually transfer to a university to continue completing my goals.

I am very thankful for your generosity and plan to use this scholarship in a reasonable successful way. Without donors like you, many students would be unable to pursue the career of their dreams because of the financial issues occurring.

My future plans include pursuing a career in psychology. I not only have a passion for psychology, but also enjoy helping others solve their problems in a calm mature approach. I plan to teach people about the importance of discussing their problems and resolving them in a proper manner. The type of psychology I want to specialize in is dealing with depressed/ stressed patients. I feel like people with depression and stress need a lot of special attention and with helping and taking care of them they can become happy healthy people. I feel that my goal is very challenging; however, that makes me very interested. I have always looked forward to a challenge and the thrill that comes along with overcoming a challenge.

Once again, I offer my sincerest thanks for your generous support.

Sincerely,

Jana Elherchi

Dear HFCC Foundation Board of Directors,

I would like to thank you for choosing me as one of the lucky students to receive the HFCC Community High Schools Scholarship. As it is stated in the letter I will use this scholarship for Fall 2011 and Winter 2012. I am ecstatic and thankful that I received this scholarship.

I do not yet know what I want to major in, but I do know that my goal for now is to take prerequisite classes here at Henry Ford Community College, and then transfer to the University of Michigan ,Dearborn. By honoring me with this scholarship ,you have made me one step closer into accomplishing that goal.

All in all, I would like to thank you once again for choosing me as one of the lucky recipients to receive this scholarship. This scholarship will help me at least focus more on my learning and less on the money. Your kindness has helped me appreciate this precious gift, and I hope that others who receive this scholarship will feel this generosity as much as I have.

Dear HFCC Foundation,

Thank you so much for an opportunity of a 1000\$ scholarship. This money will really help my family out paying for college. I am the first child attending college at my house and we thought college was going to be unbearable to pay, and as it still is this money helped us out.

Thank You,

Dear Henry Ford Foundation Board of Directors,

I would like to start off by acknowledging you for the Community high school's scholarship of 1,000 dollars, which I have been able to gain to use at your college. My senior year of high school started out great and ended amazing. I left high school with many memories and friends but most important I also left high school with having the satisfaction that I was granted a scholarship to a college that I chose to go to. I greatly appreciate your scholarship not just because of the money factor but also because I was able to gain this scholarship just by being a well-rounded student. I was told about the scholarship from my long time consular Mrs. Jo Ann Kohler, whom has been my consular since my freshmen year of high school. Thank you once again Henry Ford Foundation Board of Directors for offering a great scholarship in which every student can be involved in.

With great gratitude,
